CENTRAL INTELLIGENCE BULLETIN

24 December 1960

25X1

DAILY BRIEF

I. THE COMMUNIST BLOC

*USSR: Foreign Minister Gromyko's report to the Supreme Soviet on 23 December--the first authoritative foreign policy statement since the Moscow conference of Communist leaders--provides further evidence that the USSR intends to combine a bid for high-level negotiations with the West with a vigorous prosecution of its truculent "anti-colonial" line. Gromyko's remarks on the Congo, Laos, Algeria, and Cuba were framed in the militant anti-Western tone of the Moscow declaration, although he avoided any general attacks on US "imperialism." After quoting Khrushchev's telegram to President-elect Kennedy, Gromyko declared, "I am empowered to state. . . that as far as the Soviet Government is concerned, on its part there is a complete readiness to contribute to an improvement in Soviet-US relations." He also repeated Khrushchev's proposal that the heads of government attend a special UN session on disarmament.
